

Vermont Wind Partnership Application

Please complete all four sections below and include \$100 application fee.

I. General Information:

Name of business _____ Name of contact _____

Business tax ID # _____ Type of business _____
(Sole Proprietor, LLC, Partnership, etc.)

Mailing
Address _____

Phone number _____ Web site _____

E-mail _____

II. Installation Standards Agreement

When installing wind systems in Vermont, _____
(company name)

certifies that all the companies' wind systems installations will:

1. Meet all State of Vermont requirements.
2. Be in accordance with the current Vermont Public Service Board Interconnection Standards.
3. Use only UL-listed electrical components (or equivalent) if available.
4. Include a written contract with the customer.
5. Include at least a one-year warranty on parts and labor.
6. Include a utility-grade kWh meter so performance can be tracked.

Signature & Title

Date

III. Documentation of Insurance

Provide proof of insurance of at least \$1 million per incident, and a \$2 million aggregate.

IV. Documentation of Professional Experience

1. Provide REV with details (type, size, location) of **three** grid-tied wind systems (at least 1 kW each), at least one of which is grid-tied, that your business has installed for a paying customer within the past year.
2. Provide REV with customer contact information for each installation. Customers will be contacted to verify completion of satisfactory installations.
3. Provide REV with a copy of the Certificate of Public Good (CPG) for the grid-tied system.
4. E-mail digital photos of the three installed systems to Info@REVermont.org. Include images of the following system components: turbines (from two different perspectives), power conversion equipment (inverters, disconnects, etc.), and system groundings.
