

Communications & Operations Associate

Position Opening

Renewable Energy Vermont (REV) represents businesses, non-profits, utilities, and individuals committed to reducing our reliance on fossil fuels by increasing clean renewable energy and energy efficiency in Vermont. Vermont's clean energy economy supports at least 17,715 sustainable jobs at 2,519 businesses, representing approximately 6% of Vermont's workforce. Together, we will achieve 90% total renewable energy (electric, thermal, transportation) by 2050.

Position Description:

REV seeks a team oriented person to implement a broad array of communications, outreach, and operations work. The communications and operations associate will create and manage REV's outreach and marketing efforts including press releases, videos, event presence, REV's website, social media channels, newsletter, policy and renewable technology factsheets, lobby days, and action alerts. The position also includes administrative work, office and data management, requiring the ability to interface comfortably with various software programs and great attention to detail. As the front line of customer service, the associate serves as the first point of contact for REV, answering the phone to all general public and REV member questions. The associate will support REV's Executive Director and Assistant Director on various tasks to progress our dynamic non-profit organization's mission.

Qualifications:

- Passion for achieving Vermont's clean energy future.
- Bachelor's Degree
- Persuasive written and verbal communication skills.
- Very strong organizational skills and attention to detail.
- Ability to work autonomously within a fast-paced environment.
- Demonstrated ability to build and maintain relationships with a wide array of people and organizations.
- Skilled at problem-solving regarding information technology.
- Experience with digital media and graphic design preferred.
- Flexibility and humor.

To apply, please send a resume, cover letter, and brief writing sample to info@revermont.org. Candidates should indicate whether they are interested in full time, part-time, or contractual work and include salary requirements and history. Position open until filled.

Join our team if you want to collaborate with fun co-workers and association members who share a passion for reducing climate pollution through entrepreneurial innovation. Full time REV team members receive a generous benefit plan including flexible leave, matching retirement IRA, cafeteria health benefits, flexible work schedule, and teleworking.
