

# SPONSOR & EXHIBITOR GUIDE

## ABOUT THE CONFERENCE

REV2019, scheduled for October 10 and 11 at the DoubleTree Hotel Burlington and Conference Center in South Burlington, Vermont, highlights current energy challenges, New England's leadership role in the renewable energy transition, and what it takes to progress our total renewable energy, electricity, heating, and transportation needs.

Both days offer presentations from technical experts, businesses, policy leaders, regulatory and financial issues, the latest innovations, communications, customer engagement, and case studies.

## 2019 HIGHLIGHTS

- B2B Networking
- Public Expo
- Conference App with Enhanced Sponsor Benefits
- Ice Cream Social
- Women in Power Networking Luncheon
- Canadian Delegation
- Workforce Training
- NABCEP, CLE, and AIA Accreditations

## SPONSOR BENEFITS

You are invited to participate as a sponsor and/or exhibitor at REV 2019, presented by Renewable Energy Vermont (REV). For more than a decade, REV's annual conference has drawn hundreds of attendees and exhibitors. It is consistently the largest renewable energy event in Vermont, New Hampshire and Northern New York, bringing together business leaders, system operators, architects, builders, manufacturers, engineers, scientists, policy makers, and regulators.

All sponsors & exhibitors receive the following benefits\*:

- ✓ Exhibit space at the region's largest renewable energy business expo
- ✓ Link to your website at [www.revconference.org](http://www.revconference.org)
- ✓ Logo displayed on conference signage during the event
- ✓ Company description in the event program
- ✓ Complimentary registrations
- ✓ Social media, email newsletter & website promotion

\*Subject to change as space fills up

## HIGH VISIBILITY

Make sure this year's attendees know your company or organization and hear your message by exhibiting, sponsoring and supporting renewable energy.

The event offers your business or organization an opportunity to highlight your services and work, with high traffic exhibition areas and premier networking opportunities.

Expert and professional leaders give insights and cutting edge information to benefit your business.

## SUPPORT REV

Renewable Energy Vermont represents businesses, non-profits, utilities, and individuals committed to reducing our reliance on dirty fossil fuels by increasing clean, renewable energy and energy efficiency in Vermont. Vermont's clean energy economy directly enables at least 18,800 jobs at 3,612 businesses, representing approximately 6% of Vermont's workforce. Together, we will achieve 100% total renewable energy (electric, thermal, transportation). [www.revermont.org](http://www.revermont.org)

All revenue from this event is used to advance renewable energy policies, public education, the critical need of renewable electricity, heating, and transportation.
